To Whom It May Concern,

I am pleased to write this letter of recommendation for Mark Goles. As his instructor at North Eastern Mindanao State University (NEMSU), I have had the opportunity to observe his dedication and motivation as a Computer Science student.

Mark is a hardworking and eager learner who is always open to exploring new areas within the field. He approaches challenges with a positive mindset and demonstrates a strong desire to improve and grow in both technical and personal aspects. While he is still building his expertise, his determination and willingness to learn are evident.

He is respectful, responsible, and works well both independently and in collaborative settings. Mark's enthusiasm for learning and achieving his goals makes him a promising student and a potential asset to any team or organization.

I highly recommend Mark Goles for any opportunity that will support his growth and development in Computer Science. Please feel free to contact Mark Goles at [reymarkgoles223@gmail.com](mailto:reymarkgoles223@gmail.com) if you require further information.

Sincerely,
